Left Taramora at 10 am  
Sunday, March 6, 1936, on  
S.S. Lualaba. Saw a  
good many white-breasted boobies  
and Great-crested Terns flying or  
floating on logs. No Cetaceans.

May 7, 1906. - Arrive  
at 5 am west of Croqueta, in  
sight of Malindang range. Off  
Taramora saw a large shark  
that came in close enough  
to catch fish high out of water!  
but it soon fell victim.

At Overton pond Biala very  
rich. *Halcyon chloris*, *Spiza*,  
*Oriolus chinensis*, *Calage kerat*,  
*Certhia leucogaster*, *Muscia*  
*jagori*, *Hirundo javanica*.

May 8, 1906. Left Over-  
ton at 8 am. for Misamis.  
Fishes very fat & large.

1926. (1906)  
July 8. - Left Taramora for  
Misamis. Seward  
at 3 P.M. Off NW Mindanao  
saw one Frigate. No  
Terns or Boobies.

July 9. - Saw one large shark  
in Sulu Sea; dorsal fin  
far out of water. As the  
ship passed near its  
place ~~was~~ also appeared  
above the surface. Color  
brown. No sea birds.

At evening landed at  
Camp Overton, where I  
saw Green Heron. Many  
Woodswallows chased  
Rollers over the Misamis  
R. The Rollers made  
a great outcry, and  
I boarded the *Certhia*  
*jagori*, *Bolbopsitt*  
*-acus*, *Calage kerat*,  
*Hirundo javanica*,  
*Dicrurus striatus*,

 9:30 A.M. Went to the  
 Sibon Civilian Club.  
 Jerry called for S. & J.  
 I stayed up the pole.  
 (but it was dreadfully  
 slippery) *Murida* *gigantea*?  
 Drove about town with  
 Major (Dr.) Harris. Saw a  
 ✓ *Centropus* <sup>*viridis*</sup>. Lunched with  
 with Dr. H. & his aunt, Went  
 In afternoon  
 drove about town and  
 in two directions, into  
 the suburbs (with Mr.  
 Tutt). Many *Speris* -  
 in Sibon; also many  
 Birds, and *Starlings*.  
 Birds very few. Saw one  
 of *Brahmany* *Kites* in  
 the harbor. Dr. Harris  
 & Miss ... died  
 with Mr. (Lt. Col. Irvine,  
 Dr. Thornburgh, ship's  
 surgeon.

landed shells & dried fish  
 (also herbs, all other specimens)  
 July 11. - left Sibon at 12:01  
 A.M., after a pleasant  
 evening with Capt. Jerry  
 on off upper deck, who  
 had been imbibing S. & J.  
 (No ladies allowed on upper  
 deck.) Jerry had a  
 narrow escape - almost  
 fell through the hatch  
 at 7 A.M. anchored in  
 front of Armo, Id. of  
 Leyte. Port beautifully  
 located on a hill on  
 slightly sloping ground  
 town of Armo about 1/2  
 mile away. Pretty town.  
 Left for Straits of San  
 Juanico (N. end) where  
 cargo & passengers for  
 Tacloban will be  
 discharged on Canuch  
 to-night.  
 [The strait said that  
 P. A. was very narrow muddy]

At the same time I did not  
 notice any other birds or insects

July 14. - Lieut. Jenkins  
of the Cavalry had climbed  
Haleon 8500 ft. he made it,  
He came back sick from  
infected leech bites, which  
made ugly ulcers. Two  
cargadores died from exposure
